

# Crazy Juliet

Sandra

You  
You were my everything  
You laid the foundation  
Of my life

While  
I'd been stranded in notions  
You handled emotions  
By my side

You said: take a seat  
Tell you bout a golden ring  
Married people lack emotion  
Love is just a fight

Crazy Juliet here i come again  
Let's have fun tonight  
Everybody needs somebody  
Crazy Juliet  
The time of your life

You  
You have been lost an' found  
I travelled the ocean  
Well you know

Now  
Is the time for devotion  
My heart is in motion  
Like before

I say: watch the bride  
Juliet's got a golden ring  
I don't need no invitation  
Comin' late at night

Crazy Juliet here i come again  
Let's have fun tonight  
Everybody needs somebody  
Crazy Juliet  
The time of your life
