wherever you go

A

i'll be with you

one more night

one more night with you

hear me now i can't let you go

one more night

i'll open my heart to you

please hold me once again

cause i love you

D A Bm G A D

before you leave

just take me in your arms

and let me feel you once again

can't help myself

i still depend on you

whatever you do

i'll be with you

one more night

one more night with you

close your eyes i'll give you my love
