

Hexenpolizei

Santa Hates You

Do you know the latest sin?
Thinking by yourself is forbidden
It resounds throughout the land already
Villain is who dares nonetheless
Open up now! Drop the thoughts
Welcome in the torture hall
Undress down below
For the long arm of the witch police
The sickness of the zeitgeist is transmitted
By mental wave breaker
The attempt of an immunization makes you
To the most wanted thought-villain
We all are listed in the sin's index
Of the international witch police
Wi-wi-witch police
