## **Breathe Again**

## Sara Bareilles

Car is parked, bags are packed But what kind of heart doesn't look back At the comfortable glow from the porch The one I will still call yours?

All those words came undone And now I'm not the only one Facing the ghosts that decide If the fire inside still burns

All I have, all I need He's the air I would kill to breathe Holds my love in his hands Still I'm searching for something Out of breath, I am left hoping someday I'll breathe again, I'll breathe again

Open up next to you And my secrets become your truth And the distance between That was sheltering me comes in full view

Hang my head, break my heart Built from all I have torn apart And my burden to bear Is a love I can't carry anymore

All I have, all I need He's the air I would kill to breathe Holds my love in his hands Still I'm searching for something Out of breath, I am left hoping someday I'll breathe again

It hurts to be here I only wanted love from you It hurts to be here What am I gonna do?

All I have, all I need He's the air I would kill to breathe Holds my love in his hands Still I'm searching

All I have, all I need He's the air I would kill to breathe Holds my love in his hands And still I'm searching for something Out of breath, I am left hoping someday

I'll breathe again, I'll breathe again
I'll breathe again, I'll breathe again
I'll breathe again, I'll breathe again
