

# Everything Changes

Sara Bareilles

Today's a day like any other  
But I am changed  
I am a mother  
Oh in an instant  
And who I was has disappeared  
It doesn't matter, now you're here  
So innocent  
I was lost for you to find  
And now I'm yours and you are mine

Two tiny hands, a pair of eyes  
An unsung melody is mine for safekeeping  
And I will guard it with my life  
I'd hang the moon for it to shine on her sleeping  
Starting here and starting now  
I can feel the heart of how

Everything changes  
My heart's at the wheel now  
And all my mistakes  
They make sense when I turn them around  
Everything changes  
What I thought was so permanent fades  
And I swear I'll remember to say we were both born today  
Oh, and it's true  
What did I do to deserve you

I didn't know, but now I see  
Sometimes what is, is meant to be  
You saved me  
My blurry lines, my messy life  
Come into focus in a tied, maybe  
I can heal and I can breathe  
'Cause I can feel myself believe

That everything changes  
My heart's at the wheel now  
And all my mistakes  
They make sense when I turn them around  
Everything changes  
What I thought was so permanent fades  
And I swear I'll remember to say we were both born today  
Oh, and it's true  
What did I do to deserve you  
Thank God for you
