

# Hold My Heart

Sara Bareilles

I never meant to be the one to let you down  
If anything, I thought I saw myself going first  
I didn't know how to stick around  
How to see anybody but me be getting hurt

I keep remembering the summer night  
And the conversation breaking up the mood  
I didn't want to tell you you were right  
Like the season changing, oh, I felt it too

Does anybody know how to hold my heart  
How to hold my heart?  
'Cause I don't want to let go, let go, let go too soon

I want to tell you so before the sun goes dark  
How to hold my heart  
'Cause I don't want to let go, let go, let go of you

I'm not the kind to try to tell you lies  
But the truth is you've been hiding from it too  
I see the end sneaking in behind your eyes  
Saying things no words could ever do

Does anybody know how to hold my heart  
How to hold my heart?  
'Cause I don't want to let go, let go, let go too soon

I want to tell you so before the sun goes dark  
How to hold my heart  
'Cause I don't want to let go, let go, let go of you

Is anybody listening?  
'Cause I'm crying  
Is anybody listening?

Does anybody know how to hold my heart  
How to hold my heart?  
'Cause I don't want to let go, let go, let go too soon

I want to tell you so before the sun goes dark  
How to hold my heart  
'Cause I don't want to let go, let go, let go of you

Does anybody know how to hold my heart  
How to hold my heart?  
'Cause I don't want to let go, let go, let go too soon

I want to tell you so before the sun goes dark  
How to hold my heart  
'Cause I don't want to let go, let go, let go  
I don't want let go, let go of you  
I don't want to let go
