

In Your Eyes

Sara Bareilles

Love

I get so lost, sometimes

Days pass and this emptiness fills my heart

When I want to run away I drive off in my car

But, whichever way I go I come back to the place you are

But, all my instincts - they return

The grand facade so soon will burn

Without a noise - without my pride

I reach out from the inside

Love love love love love

I get so lost, sometimes

Days pass they pass and this emptiness fills my heart

When I want to run away I drive off in my car

But, whichever way I go I come back to the place you are

But, all my instincts - they return

The grand facade so soon will burn

Without a noise - without my pride

I reach out from the inside

In your eyes - the light, the heat

I am complete in your eyes

See the doorways of a thousand churches in your eyes

The resolution of all the fruitless searching

In Your Eyes

Love love love love love

I don't like to see so much pain

So much wasted, and this moment keeps slipping away

I get so tired working so hard for our survival

I look to the time with you to keep me awake and alive

But, all my instincts - they return

The grand facade so soon will burn

Without a noise - without my pride

I reach out from the inside

In your eyes - the light, the heat

I am complete in your eyes

See the doorways of a thousand churches

I will not be that complete

In your eyes

In your eyes

In your eyes

In your eyes

Love

I get so lost, sometimes
