

# King of Anything

Sara Bareilles

Keep drinking coffee, stare me down across the table  
While I look outside  
So many things I'd say if only I were able  
But I just keep quiet and count the cars that pass by

You've got opinions, man  
We're all entitled to 'em  
But I never asked

So let me thank you for your time  
And try not to waste any more of mine  
Get out of here fast

I hate to break it to you babe  
But I'm not drowning  
There's no one here to save

Who cares if you disagree? You are not me  
Who made you king of anything?  
So, you dare tell me who to be  
Who died and made you king of anything?

You sound so innocent  
All full of good intent  
Swear you know best

But you expect me to  
Jump up onboard with you  
Ride off into your delusional sunset

I'm not the one who's lost  
With no direction, oh  
But you'll never see

You're so busy making masks  
With my name on it in all caps  
You've got the talking down  
Just not the listening

Who cares if you disagree? You are not me  
Who made you king of anything?  
So you dare tell me who to be  
Who died and made you king of anything?

All my life I've tried  
To make everybody happy while I just hurt and hide  
Waiting for someone to tell me it's my turn  
To decide

Who cares if you disagree? You are not me  
Who made you king of anything?  
So you dare tell me who to be  
Who died and made you king of anything?

Who cares if you disagree? You are not me  
Who made you king of anything?  
So you dare tell me who to be

Who died and made you king of anything?

Let me hold your crown, babe
