

# I Saw What I Saw

Sara Groves

I saw what I saw and I can't forget it  
I heard what I heard and I can't go back  
I know what I know and I can't deny it

Something on the road, cut me to the soul

Your pain has changed me  
your dream inspires  
your face a memory  
your hope a fire  
your courage asks me what I'm afraid of  
(what I am made of)  
and what I know of love

We've done what we've done and we can't erase it  
we are what we are and it's more than enough  
we have what we have but it's no substitution

Something on the road, touched my very soul

I say what I say with no hesitation  
I have what I have and I'm giving it up  
I do what I do with deep conviction

Something on the road, changed my world
