

I'm sorry

Sarah Blackwood

don't wanna be here
to watch this die
I take a moment
and close my eyes
another tear falls
as we say goodbye
love ain't easy
but at least we tried

said I'm sorry
what else can I say
maybe tomorrow
you'll come back to yesterday

I didn't mean boy
to let you down
how do I tell you I love you
without a sound
oh it just ain't home here
it don't feel right
empty of you I miss you
everyday and every night

said I'm sorry
what else can I say
maybe tomorrow
you'll come back to yesterday

said I'm sorry
what else can I say
maybe tomorrow
you'll come back to yesterday

maybe tomorrow
you'll come back to yesterday
maybe tomorrow
you'll come back to yesterday
maybe tomorrow
you'll come back to yesterday
