

## In My House

Sarah Connor

Boy, you can just best believe  
I'm the only girl in your life  
I'll be your sugar in the morning  
And the sweet stuff you need at night  
And you can just best believe  
When it come down to makin' love  
I'll satisfy you every need  
And every fantasy you think of

So when you need a little piece of mind  
Come on over, boy, any time  
I'll keep you happy and so satisfy  
In my house, my house

Boy, any time, day or night  
When you call me, I will be there  
Just call me up on the phone  
When you need someone around to care  
And when you feel sad and blue  
You just come and see me anytime  
I'll kiss away all your tears  
And your fears you can leave behind

So when you need a little piece of mind  
Come on over, boy, any time  
I'll keep you happy and so satisfy  
In my house, my house  
So when you need some love and tenderness  
And it's me, baby that you miss  
Here's the key to unlock the door  
to my house, my house
