

Blame It

Sarah Jaffe

Blame it on a full moon (blame, blame, blame it)
Whatever's gotten into me has gotten into you
Maybe I spoke too soon
These walls are paper thin
Stranger things have happened too
(Blame, blame)
Blame it on a full moon (blame, blame it)
Blame it on a full (blame, blame it)
Blame it on the full moon
Blame it on the full moon
Blame it on the full moon

Stranger things have happened too
(Blame, blame)
Blame it on the full moon
Blame it on a full
Blame it on the full moon
(Blame, blame)
Blame it on the full moon
(Blame, blame)
Blame it on the full moon
