I rebelled for the day
Pat myself on the back
An excuse to celebrate

I've been asleep for so long
It feels good to be awake in some capacity
So I keep babbling on

So long, so long, so long
So long, so long, so long, so long

Already forgot what you told me
What was it you prescribed
Is it cause for concern
Give me some peace of mind

I've been asleep for so long
It feels good to be awake in some capacity
So I keep babbling on
I've been asleep for so long
So long, so long, so long
So long , so long, so long,
So long, so long, so long
So long, so long, so long, so
