Frances McDormand, Catherine O'Hara  
You're my all time favorite forever  
My heads on the floor  
And used to love settling into tears  
And I've said it before  
But you're used to me repeating myself

You're my all time favorite  
You're my all time (Yeah Yeah Yeah)  
You're my all time favorite  
You're my all time  
Yeah Yeah Yeah  
Yeah, Yeah  
Yeah Yeah  
Yeah Yeah Yeah  
Yeah, Yeah  
Yeah Yeah  
Yeah Yeah Yeah

Add some distortion  
Reverb, whatever  
You're my all time favorite forever  
My heads on the floor  
And used to love settling into tears  
I know I said it before  
But you're used to me repeating myself

You're my all time favorite  
You're my all time (Yeah Yeah Yeah)  
You're my all time favorite  
You're my all time  
You're my all time favorite  
You're my all time  
You're my all time favorite  
You're my all time  
You're my all time favorite  
You're my all time  
You're my all time favorite  
You're my all time (Yeah Yeah Yeah)  
You're my all time favorite  
You're my all time  
You're my all time favorite  
You're my all time  
You're my all time favorite  
You're my all time (Yeah Yeah Yeah)
