

Freaking Out

Sarah Jaffe

How does the heart break for some?
How long does it take to know?
Did you ever wonder, huh girl? no
Was it just for fun girl? huh girl? no
How does the heart break for some?
How long does it take to know?
Did you ever wonder, huh girl? no
Was it just for fun girl? huh girl? no

Now that I know I'm freaking out
Now that I know I'm freaking out
Now that I know I'm freaking out

How can you really say so long?
What can you really say to show?
Did you ever wonder, huh girl? no
Was it just for fun girl? huh girl? no
How can you really say so long?
What can you really say to show?
Did you ever wonder, huh girl? no
Was it just for fun girl? huh girl? no

Now that I know I'm freaking out
Now that I know I'm freaking out
Now that I know I'm freaking out
