

## Nice To See You Again

Sarah Jaffe

Whose that knockin' at my door  
I got on the first plane  
I couldn't take it no more  
Red eyes with my jaw to the floor  
Floor to the ceiling  
Oh man I know the feelin'

Don't need a reason  
I know the feelin'  
It's nice to see ya  
It's nice to see you again  
Don't need a reason  
I know the feelin'  
It's nice to see ya  
It's nice to see you again

Whose that knockin' at my door  
I don't really know  
And I don't care anymore  
Tired eyes  
My heart is sore  
It bears repeating  
Oh yeah I know the feelin'

Don't need a reason  
I know the feelin'  
It's nice to see ya  
It's nice to see you again  
Don't need a reason  
I know the feelin'  
It's nice to see ya  
It's nice to see you again  
Don't need a reason  
I know the feelin'  
It's nice to see ya  
It's nice to see you again  
Don't need a reason  
I know the feelin'  
It's nice to see ya  
It's nice to see you again
