

# Revelation

Sarah Jaffe

Revelation scared the hell out of me  
As a child, I became obsessive  
Hid in the bathroom with a Bible in my hand until I felt relief

Is everything a sign for me  
Is everything a sign for me to see  
Is everything a sign for me  
Is everything a sigh for me to see

Pillar of salt  
God and Man  
Let the rest fall under circumstance

Pillar of salt  
God and Man  
Red moon, red moon

A small fixation but I felt it growing  
I began to feel outnumbered  
By situations and the possibility  
I long to feel relief

Is everything a sign for me  
Is everything a sign for me to see  
Is everything a sign for me  
Is everything a sign for me to see

Blood red moon  
Constant questions at my feet  
Is everything, everything, everything a sign for me  
Everything, everything a sign for me  
Red moon, red moon, red moon, red moon  
Is everything a sign
