SMUT

Sarah Jaffe

You know, you know I love an intro
Any chance to explain myself
Let's see how far this road goes
Will I be able to contain myself?
Can I contain myself?

(I love you. Bye.)
(I love you. Bye.)
(I love you. Bye.)
(I love you. Bye.)

Give me an intro (smut)
You know I love an intro
Give me an intro
You know I love an intro (smut)

Just give me an
Just give me an intro
...

I love you. Bye.
