

Hear Me Out

Sarah Slean

I used to know the way inside
How to mend the broken look in your eye
But now the look is out of reach
I can only see the trust you don't have in me

Hear me out, I'm not your enemy
If there's doubt, there doesn't need to be
I'm around, I'm always gonna be
So, before you go, hear me out

Think that you're the only one
There's something in your heart blocking out the sun
Everytime the fire went out I would always go to you
Now I don't know how

Hear me out, I'm not your enemy
If there's doubt, there doesn't need to be
I'm around, I'm always gonna be
So, before you go, hear me out

Hear me out, I'm not your enemy
If there's doubt, there doesn't need to be
I'm on your side, that's where I wanna be
So, before you go...

Hear me out, I'm not your enemy
If there's doubt, there doesn't need to be
I'm around, I'm always gonna be
So, before you go...

Hear me out, I'm not your enemy
There doesn't need to be
I'm on your side, that's where I wanna be
So, before you go, hear me out

I used to know the way inside
