

# Epoch Armageddon

Sarea

Infernal attitude through centuries of time  
Imbued by harmonizing disrespect  
Man may learn when awakened in hell  
Religious or not, our ending will tell

Armageddon's in our epoch

Why are we here?  
Vain shall master society  
Why are we here,  
When our deadline's due today?

Brutal corrosion into the core  
A primitive weapon devastating  
Silence means death's to come  
Extinction and mankind, hand in hand

Armageddon's in our epoch

Why are we here?  
Vain shall master society  
Why are we here,  
When our deadline's due today?

Sinful is all we are  
Killing our mother of life
