

# I Feel Lonely

Sasha

All across the universe  
every boy and every girl  
is looking for this thing called love  
so why do all the other guys  
got pretty women by their side  
some guys really can 't complain

every night I lay awake and cry  
I'm missing someone to stand by my side

I feel lonely, lolololololonly,  
you 're the one and lonely  
that makes me feel so blue  
I feel lonely, lolololololonly,  
you 're the one and lonely  
that makes my dreams come true  
I feel lonely

It 's not easy to fall in love  
so I pray to god above  
lord I need a helping hand  
Hey, Mr DJ play this song  
I felt lonely for so long  
this is my SOS for love

All the time I got it on my mind  
someone to hold me tight is hard to find
