

Karma Babe

Satan Takes a Holiday

I've seen many pictures of you
All the things you think you can do
I found lots of blood in your trails
Found your bloodred shoes at the end
Look out!

I'll do some bad things to you
Cause I'm a bad bad boy
And you're a bad bad girl
I got your favourite toy
Look out!

It's karma, babe
No accident
You won't prevail
It's evident
Fingers crossed
On your back
Clench my fist
Can't take it back

I'll do some bad things to you
Cause I'm a bad bad boy
And you're a bad bad girl
I got your favourite toy

I've seen the pictures of you
Doing all the things that you do
There's someone coming for you
It's a bad
A b b b bad boy

It's karma, babe
No accident
You won't prevail
It's evident
Fingers crossed
On your back
Clench my fist
Can't take it back

You need a miracle
You'll need a miracle

It's karma, babe
No accident
You won't prevail
It's evident
Fingers crossed
On your back
Clench my fist
Can't take it back

Karma, babe
Yeah!

Karma, babe
Yeah!
