

Leave Me Alone

Satan Takes a Holiday

You always on my mind
You are always around
You and I - we would fight

And I do what I do a lot
I do what I do because?
I do what I do for you
And because you told me to

You resemble me quite a lot
I assembled this on the spot
And now there's no you and me

Leave me alone (3x)

And I hate what I do for you
But still I do it, I do I do
And noone ever knew

Leave me alone (3x)

Stories of one become two
Past a glance
None of them true
Pitiful what you put me through
My god
The loneliness of being with you
The loneliness of being with you

Leave me alone (3x)

Leave me alone (3x)
