

Diagram

Saul Williams

I am a simple man
I don't ask for much
But an angel's touch
Touching where wings should be
You swoop down for me
Come to rescue me

I'm holding on
To you
My search for love
Is through

Love is a diagram
Sine wave in the sand
Carved by nature's hand
Crutches where wings should be
You swoop down for me
Come to rescue me

I'm holding on
To you
My search for love
Is through

Time has taught me
So much about you
You're all I know
Find me in the
Deepest parts of you
