

# I Knew I Loved You

Savage Garden

Maybe it's intuition  
but some things you just don't question  
Like in your eyes, I see my future in an instant  
And there it goes,  
I think I found my best friend  
I know that it might sound  
more than a little crazy  
but I believe...

I knew I loved you before I met you  
I think I dreamed you into life  
I knew I loved you before I met you  
I have been waiting all my life

There's just no rhyme or reason  
Only the sense of completion  
And in your eyes, I see  
the missing pieces I'm searching for  
I think I've found my way home  
I know that it might sound  
more than a little crazy  
but I believe...

I knew I loved you before I met you  
I think I dreamed you into life  
I knew I loved you before I met you  
I have been waiting all my life

A thousand angels dance around you  
I am complete now that I've found you

I knew I loved you before I met you  
I think I dreamed you into life  
I knew I loved you before I met you  
I have been waiting all my life

I knew I loved you before I met you  
I think I dreamed you into life  
I knew I loved you before I met you  
I have been waiting all my life
