

You Can Still Be Free

Savage Garden

Dmi

Cool breeze and autumn leaves

Ami

Slow motion daylight

Dmi

A lone pair of watchful eyes

Ami

Oversee the living

Dmi

Feel the presence all around

Ami

A tortured soul

A wound unhealing

Dmi

No regrets or promises

Ami

The past is gone

F C

But you can still be free

C

Ami C

If time will set you free

Time now to spread your wings

To take to flight

The life endeavour

Aim for the burning sun

You're trapped inside

But you can still be free

If time will set you free

G

But it's a long long way to go

Keep moving way up high

You see the light

It shines forever

Sail through the crimson skies

The purest light

The light that sets you free

If time will set your free

Dmi

Ami

Sail through the rain and wind tonight

Dmi

Ami

You're free to fly tonight

F C

And you can still be free

Ami C

If time will set you free

F

And going higher than the mountain tops

C

And go high like the wind don't stop

Ami

And go high

F

Free to fly tonight

Free to fly tonight
