

# Tonight

Savage

The time you never know  
Life's so easy  
Once you fly to me  
All i needed.

Try to fly why sure  
Further she says  
But never let me go too far  
Yesterday.

Tonight tonight  
I'm far away  
Tonight tonight  
From yesterday  
Tonight tonight  
I'm far away.

The time has come to go  
Not so easy  
And if i fly alone  
I have my reasons.

Try to fly why sure  
Further she says  
But never let me go too far  
Yesterday.

Tonight tonight  
I'm far away  
Tonight tonight  
From yesterday  
Tonight tonight  
I'm far away.
