

Falling Slowly

Savannah Outen

I don't know you but I want you
All the more for that
Words fall through me n'always fool me
And I can't react

Games that never amount
To more than they meant
Will play themselves out

Take this sinking boat
And point it home
We've still got time
Raise your hopeful voice
You had the choice
You've made it now

Falling slowly, eyes that know me
And I can't go back
Moods that take me and erase me
And I'll paint it black

You have suffered enough
And warred with yourself
It's time that you won

Take this sinking boat
And point it home
We've still got time
Raise your hopeful voice,
You had the choice
You've made it now

Take this sinking boat
And point it home
We've still got time
Raise your hopeful voice,
You had the choice
You've made it now

Falling slowly sing your melody
I'll singing mine
