

House of Cards

Savannah Outen

You're not the Ace of Spades in your fake black leather
I'm tired of your games but we're stuck together
I saw you kiss another girl on Friday night, you know the drill
But this time I'll be gone forever.

Yeah the walls will shake as I break away from you oo oo
I will fly outside and I'll find somebody new oo oo
Yeah you locked my heart in a House of Cards
Yeah you're paper thin and I'm looking through you oo oo oh oh
oh.

I'm peeling off the tape that holds us together
The roof is falling down in this unfair weather
Don't play the King of Diamonds now, how dare you try to buy me
out You've left me with no doubt, it's over.

Yeah the walls will shake as I break away from you oo oo
I will fly outside and I'll find somebody new oo oo
Yeah you locked my heart in a House of Cards
Yeah you're paper thin I'm looking through you ooh ooh oh oh oh
.

Yeah the walls will shake as I break away from you oo oo I will
fly outside and I'll find somebody new oo oo
Yeah you locked my heart in a House of Cards
Yeah you're paper thin I'm looking through (you)
Your House of Cards is falling down around you oo oo
