

## Just a Kiss

Savannah Outen

Lying here with you so close to me  
It's hard to fight these feelings  
when it feels so hard to breathe  
Caught up in this moment  
Caught up in your smile

I never open up to anyone  
So hard to hold back  
when I'm holding you in my arms

We don't need to rush this  
Let's just take it slow

Just a kiss on your lips in the moonlight  
Just a touch of the fire burning so bright  
I don't want to mess this thing up  
I don't want to push too far  
Just a shot in the dark that you just might  
be the one I've been waiting for my whole life  
So baby I'm alright with just a kiss goodnight

I know that if we give this a little time  
It'll only bring us closer to the love we wanna find  
It's never felt so real  
No it's never felt so right

Just a kiss on your lips in the moonlight  
Just a touch of the fire burning so bright  
I don't want to mess this thing up  
I don't want to push too far  
Just a shot in the dark that you just might  
be the one I've been waiting for my whole life  
So baby I'm alright with just a kiss goodnight

No I don't want to say goodnight  
I know it's time to leave but you'll be in my dreams  
Tonight  
Tonight  
Tonight

Just a kiss on your lips in the moonlight  
Just a touch of the fire burning so bright  
I don't want to mess this thing up  
I don't want to push too far  
Just a shot in the dark that you just might  
be the one I've been waiting for my whole life  
So baby I'm alright

Let's do this right with just a kiss goodnight  
With a kiss goodnight  
A kiss goodnight
