

Story of My Life

Savannah Outen

Written in these walls are the stories that I can't explain
I leave my heart open but it stays right here empty for days

He told me in the morning he don't feel the same about us in his bones
It seems to me that when I die these words will be written on my stone

And I'll be gone, gone tonight
The ground beneath my feet is open wide
The way that I been holdin' on too tight
With nothing in between

The story of my life, I take him home
I drive all night to keep him warm and time....
Is frozen (the story of, the story of)
The story of my life, I give him hope
I spend his love until he's broken inside
The story of my life (the story of, the story of)

Written on these walls are the colours that I can't change
Leave my heart open but it stays right here in its cage

I know that in the morning
I'll see us in the light upon your ear
Although I am broken, my heart is untamed
still

And I'll be gone, gone tonight
The fire beneath my feet is burning bright
The way that I've been holdin' on so tight
With nothing in between

The story of my life, I take him home
I drive all night to keep him warm and time....
Is frozen (the story of, the story of)
The story of my life, I give him hope
I spend his love until he's broken inside
The story of my life (the story of, the story of)

And I've been waiting for this time to come around
But baby running after you is like chasing the clouds.

The story of my life, I take him home
I drive all night to keep him warm and time....
Is frozen

The story of my life, I give him hope
(give him hope)
I spend his love until she's broke inside
(until he's broke inside)
The story of my life (the story of, the story of)
The story of my life
The story of my life
The story of my life
