

The Hard Way

Savannah Outen

I don't have some trick up my sleeve I can show ya
But I can guarantee you'll look at me and see
That I'm the type of girl you're not really that used to
I'm only gonna give it to you honestly

Pre:

I know this ride's taking some time
But I know I'll be ok

Chorus:

Even when I'm broken
Feeling kinda hopeless
I've never been the one to run away
I could let this hold me
Swallow and control me
It would be so easy just to break
But I'd rather do it the hard way
I'd rather do it the hard way
I'd rather do it the hard way
I'd rather do it the hard way

Verse 2:

I've been taking every cup of coffee black now
Sugarcoating everything don't make it sweet
And all the time I've given up I'm taking back now
I've been spending all my hours differently

Pre:

Cuz it's never too late

To live what you say
And I know I'll be ok

Chorus:

Even when I'm broken
Feeling kinda hopeless
I've never been the one to run away
I could let this hold me
Swallow and control me
It would be so easy just to break
But I'd rather do it the hard way
I'd rather do it the hard way
I'd rather do it the hard way
I'd rather do it the hard way

Bridge:

I know this ride's taking some time
But I know I'll be ok
Cuz it's never too late
To live what you say
Yeah I know I'll be ok

Chorus:

Even when I'm broken
Feeling kinda hopeless
I've never been the one to run away
I could let this hold me
Swallow and control me

It would be so easy just to break
But I'd rather do it the hard way
I'd rather do it the hard way
I'd rather do it the hard way
I'd rather do it the hard way
