

Two Is Better Than One

Savannah Outen

I remember what you wore on the first day
You came into my life
And I thought hey
You know this could be something
'Cause everything you do and words you say
You know that it all takes my breath away
And now I'm left with nothing

So maybe it's true, that I can't live without you
Well maybe two is better than one
There's so much time, to figure out the rest of my life
And you've already got me coming undone
And I'm thinking two, is better than one

I remember every look upon your face,
The way you roll your eyes, the way you taste
You make it hard for breathing
'Cause when I close my eyes and drift away
I think of you and everything's okay
And finally now, we're leaving

And maybe it's true, that I can't live without you
Well maybe two is better than one
There's so much time, to figure out the rest of my life
And you've already got me coming undone
And I'm thinking two, is better than one

Yeah, yeah

I remember what you wore on the first day
You came into my life
And I thought hey

Maybe it's true, that I can't live without you
Maybe two is better than one
There's so much time, to figure out the rest of my life
And you've already got me coming undone
And I'm thinking

Oooh I can't live without you
'Cause baby two is better than one
There's so much time, to figure out the rest of my life
And I've figured out with all that's said and done
Two, is better than one

Two is better than one
