

# You and I

Savannah Outen

It's been a long time  
Since I came around  
Been a long time  
But I'm back in town  
This time I'm not leaving with out you  
You taste like whiskey when you kiss me awe  
I'd give anything again to be your babydoll  
This time I'm not leaving with out you.

He said sit back down where you be long  
In the corner of my bar with your high heels on  
Sit back down on the couch  
Where we made love the first time  
And you said to me

(There's somethin') somethin', somethin' about this place  
Somethin' 'bout lonely nights  
And my lipstick on your face  
Somethin', somethin' about  
My cool Nebraska guy  
Yeah somethin' about  
Baby you and I

It's been two years since I let you go  
I couldn't listen to a joke  
Or a Rock n' Roll  
And muscle cars drove a truck  
Right through my heart

On my birthday you sang me a 'Heart of Gold'  
With a guitar humming and no clothes  
This time I'm not leaving without you.

Sit back down where you belong  
In the corner of my bar with your high heels on  
Sit back down on the couch  
Where we made love the first time  
And you said to me

(There's somethin') somethin', somethin' about this place  
Somethin' 'bout lonely nights  
And my lipstick on your face  
Somethin', somethin' about  
My cool Nebraska guy  
Yeah somethin' about  
Baby you and I

You and I  
You you and I  
You you and I  
You you and I  
You and I  
You you and I  
Babaay I'd rather die  
Without you and I

Guitar Solo (Come On, Put Your Drinks Up)

We gotta whole lotta money but we still pay rent  
'cause you can't buy a house in heaven  
There's only three men that ima serve my whole life  
It's my daddy and Nebraska and Jesus Christ

(There's somethin') somethin' about the chase  
(6 Whole years)  
I'm a New York woman born to rock you down  
Still want my lipstick all over your face  
There's somethin' somethin' about just knowin' when it's right  
So put your drinks up for Nebraska  
For Nebraska, Nebraska I love you

You and I  
You you and I  
Baby I'd rather die  
Without you and I

You and I  
You you and I  
Nebraska I'd rather die  
Without you and I

It's been a long time since I came around  
It's been a long time but I'm back in town  
And this time I'm not leaving without you
