

This is the Time (1990)

Savatage

Watching in silence, I hesitate: It was not in the plans
All of our lives we could only wait: It was out of our hands

And every war where we took the day, it was all in our heads
And though in the dark we dream at night, they were better unsaid

But this is the time and this is the place
And these are the signs that we must embrace
The moment is now, in all history
The time has arrived and this is the one place to be

Yeah, yeah

We placed our years in the hourglass, they were never unearned
And we seemed destined to watch them pass - it was never our turn

But this is the time and this is the place
And these are the signs that we must embrace
The moment is now, in all history
The time has arrived and this is the one place to be

Yeah, yeah

(lead break)

(solo)

(chorus)

This is the time and this is the place
And these are the signs that we must embrace
The moment is now, in all history
The time has arrived and this is the one place to be

Yeah, yeah
