

Meet me in the darkness
So I'm not alone
I wish I was mindless
My fate is unknown
Meet me in the darkness
So I'm not alone
I wish I was mindless
My fate is unknown
Remedy
Come to set me free
Erase me
Don't remind me of the person I could have been
Remedy
Come to set me free
Erase me
Don't remind me of the person I should have been
Again
And don't you forget
When you needed me the most
I was right there at your doorstep
And don't you forget again
And don't you forget
When you needed me the most
I was right there at your doorstep
And don't you forget again
Meet me in the darkness
So I'm not alone
I wish I was mindless
My fate is unknown
Leave me in the darkness
(Remedy, come to set me free, erase me)
So I can wither away
(Don't remind me of the person I could have been)
A place forever timeless
(Remedy, come to set me free, erase me)
A lunar rose in decay
(Don't remind me of the person I should have been)
But never was
