

Drive Me Wild

Sawyer Brown

You pull over and I jump in
Into your little red Mercedes Benz
Well, I know there's no turning back
Well, I don't even care where we are
I just want to be inside your car

You can drive me wild, baby
You can drive me crazy
You just drive me, I don't care with you

I'll go anywhere
Clean out of sight
Once around the moon
Holdin' on tight
Take me by the hand
Pull me by the heart
With you, with you
I'll go anywhere

Well in the fast lane on a Sunday drive
Anywhere we go, I'll be fine
Just as long as I'm with you
It don't matter when we get back
This ain't the time to talk about that

You can drive me wild, baby
You can drive me crazy
You just drive me, I don't care with you

I'll go anywhere
Clean out of sight
Once around the moon
Holdin' on tight
Take me by the hand
Pull me by the heart
With you, with you
I'll go anywhere

If you take me I will go with you anywhere
Well, I don't know if you know we're goin' somewhere
Goin' somewhere, goin' somewhere

You can drive me wild, baby
You can drive me crazy
You just drive me, I don't care with you

I'll go anywhere
Clean out of sight
Once around the moon
Holdin' on tight
Take me by the hand
Pull me by the heart
With you, with you
I'll go anywhere
