

## Oh, My Love

SayWeCanFly

Oh my love I write you this  
'Cause someday I'll be gone  
And oh my love when that day comes  
I want you to be strong  
Knowing that I loved you more than anything else  
Believe that I'm in heaven  
And that you'll go there as well  
When our bodies touch the earth again  
When the people crack  
As they'll believe that we have left  
Oh our souls with touch the sky again  
And they will glow they will glow  
'Cause they'll be home  
Oh oh oh oh oh oh oh  
And oh my love I miss the times  
When you would hold me close  
And oh my love those times are what I'll always treasure most  
You'll be my sweet angel  
And I will be your sweet ghost  
And someday soon  
I promise you  
That I won't haunt you anymore  
'Cause we will both be angels  
And you'll know that we are ghosts (2x)  
When our bodies touch the earth again  
When the people crack  
As they'll believe that we have left  
Oh our souls with touch the sky again  
And they will glow they will glow  
'Cause they'll be home  
Oh oh oh oh oh oh oh  
Oh oh oh oh oh oh oh  
If I can't have you  
Then that's okay with me  
As long as I know  
That your living free (2x)  
Just as long as I know  
That your living free (2x)
