

Sinning By Your Side

Scarlet

Does this hurt you? Does this make you feel alive? Can I be the
lover in your bed? Sinning by your side
If i cut you will you bleed? If i touch you will you need? Anni
e, pull me closer
Annie, crush me harder
Take my breath away
Feel your blood flow
Fell me down slow
I know I'm the best you've ever had
Your Mr. Big shot
Your Mr. Cheap shot
Say my name again
I'm the best you ever had
Your Mr. Big shot
Your Mr. Cheap shot
Hey, whatever makes you come
