

Something To Lust About

Scarlet

I am the savior of rock 'n roll

I am your electric shock control

You feel me up and you feel me out
I give you something to lust about
Deep sleep dirty and cheap

I'll make you flawed
And I'll make you weak
I'm so much larger than life
Let me seduce you
Let me reduce you

I am the savior of rock 'n roll

I will take you where you need to go
Let me smell your longing let me make you nothing
