

Song for Jo

Scarlett Johansson

Do you remember
How we'd fallin' asleep
On the bathroom floor
Wasn't always pretty
On the white tiles
Cool as the sound
Of your daddy's house

Wake abandoned
Smoke out
The windowed floors
From your daddy's house

You're alive today
Small hands of a woman
With an animal heart

Noooooooooooo
Noooooooooooo

Hold my for a minute
If I could spend
A moment
With you, you
In your daddy's house

Gentle screams
As we made it home

Let's get
Bury our heart
In the attic
Bury our heart
In the attic
Of your daddy's house
