

# Leave In Silence

Scooter

**Ami**

Girl of my dreams

**C**

You don't know what it means

**G**

**D**

To live my life wit hout you

**Ami**

I hope everyday

**C**

When you pass my way

**G**

**D**

I dare to say a word to you

**Ami**

But everytime you look at me

**C**

I go right out of my head

**G**

And then I just turn away

**D**

And act like I don't see you

**Ami**

You're so far away

**C**

No reason to stay here

**G**

**D**

I leave in silence

Sometimes I think

I'll win back my confidence

And be the man I used to be

But a touch of your smile

And I feel so strange again

And loose myself in the wait and see

And everytime when you are near

And act like you don't care

I get so insecure

And then I'm not so sure

You're so far away

No reason to stay here

I leave in silence

You're so far away

No reason to stay here

I leave in silence
