## The Riot Of Your Time

## **Scorpions**

The only king of rock has gone gone to heaven a star on the way to the stars another king of rock is born, '77 just born to be there, when it starts

'94,'95, if the world is still alive will be the start, for the riot of your time here's a ticket for a burning train to set the world in flame to play the hero game here's a ticket for the future days you'll be the x.rock king the new electric face a new generations mind the riot of your time

He's got the message to be more, a new desire a storm full of life, wild and young "the x-rock 1994 electric fire" will burn out the time, like the sun
