

There's a Place in Hell for Me and My Friends

Scott Matthew

There is a place
Reserved for me and my friends
And when we go we all will go
So you see I'm never alone
Oh there is a place with a bit more time
And a few more gentler words
And looking back we will forgive
We had no choice we always did
All that we hope is when we go
Our skin and our blood and our bones
Don't get in your way making you ill
The way they did when we lived
Oh, there is a place, a place in hell
Reserved for me and my friends
And if ever I just wanted to cry
Then I will because I can
