

## Like an Old Time Movie

Scott McKenzie

Every time I see you  
It's just because you're blue  
You don't really need me  
The way that I need you

Don't come on so groovy  
You do better mean  
You're like an old time movie  
One that I've already seen

Baby, yes I need your love  
But I'm not gonna get this low  
Don't you think that I can tell  
When you've no place else to go

Could it be you misunderstood  
When you tried to read my mind  
Cause this time you will find  
I'm gonna let you go

Every time I see you  
You're like an old time movie  
Baby, yes I need your love  
But I'm not gonna get this low

Don't you think that I can tell  
When you've got no place else to go  
Could it be you understood  
When you tried to read my mind

Cause this time you will find  
I'm gonna let you go  
Every time I see you
