see how  
they run

i brought nylons from New York  
some had butterflies some had specks  
i brought nylons from New York  
Hard flat butterflies some had specks

The good news you cannot refuse  
The bad news is there is no news

Tonight he'll rise  
he'll sell his arms  
to anyone who asks about

As-in-the wind  
As-in the rain  
As-in-as in  
As-in-without

oh the Luzerner Zeitung  
the Luzerner Zeitung  
never sold out  
never sold out

Cripple fingers hit the muezzin yells  
some had Columbine some had specks  
Cripple fingers hit the rounds of shells  
some had clinging vine some had specks

The good news you cannot refuse  
The bad news is there is no news

Tonight he'll rise  
he'll leave his arms  
to anyone who asks about

As-in-the tracks  
As-in the wrists  
As-in-you been  
As-in-without

oh the Luzerner Zeitung  
the Luzerner Zeitung  
never sold out  
never sold out

See how it blows  
a mile up the road  
color of moon  
it swirls and collects  
unfolding and timbling  
up this back road  
swirling butterflies swirling flecks
