

Maybe

Screaming Trees

Is forever oh so long
Oh so many times been pushed aside
Is my answer all that wrong
I'm just asking to be left alone
And there's nothing left but hate, yeah
There is no one on my side
Were you listening I told you
It's never gonna be all right

Maybe you'll find
Maybe you'll find
Maybe you'll find
What's inside

And forever is too long
All the people that I've left behind
If you're wondering I'm gone
I'm just asking to be left alone

Maybe you'll find
Maybe you'll find
Maybe you'll find
What's inside

Maybe you'll find
Maybe you'll find
Maybe you'll find
What's inside
