The Turning

Screaming Trees

Sand on the beach beats a hole through my hand Hands of the clock stand where I have to walk All the way around Turn upside down Just look around to the turning Everything inside is burning

Sign on the wall that I don't understand It's just a part of a dream that I had Feet on the ground
Head in the sound
Just look around to the turning
Everything inside is burning

Water so cool that its thoughts seem to soothe
Some things are real that I don't have to prove
Now you are learning
Rome now is burning
Just look around to the turning
Everything inside is burning
Just look around to the turning
Everything inside is burning
