

Automatic Rejector

Screeching Weasel

He had a big mouth
he didn't know when to stop
he said "maybe we'll see some action tonight from that bitch"
but he was wrong
she's the Automatic Rejector
he came up behind her and started grabbing her tits
see his hands and his mouth pulled the same kind of shit
and when she pulled out her gun
she said "why don't you suck on this"
she's the Automatic Rejector
