

Sugar And Spice

Scritti Politti

Get you girl - a part of this world
Take it and show you nothing is ever what it seems
Get you girl - a matter of fact
Teach you a lesson nothing is ever more than dreams

You got it girl with the sugar and spice
Story of a love in a lost paradise (another day baby)
Hot and the sweet girl - a word of advice
Hit me up with a shot of the sugar and spice (anyway baby)

Let you girl - alone to believe
In a measure for measure in a three standard stoppages
for you
Get you girl - a test of your love
Don't try and tell me how tough at the top it is for you

Get you girl - the best of both worlds
Do the puppy dog for me girl
Sugar and spices here for you
Get you girl - got a way to make it better
Take it and show you
Sugar and spices here for you
